We refer to the case docketed as “*Bauer Foundations Philippines, Inc., Plaintiff, vs. Semirara Mining Corporation and/or Victor A. Consunji and/or Jaime B. Garcia, Defendants, Civil Case No. R-QZN-14-04802-CV, Regional Trial Court-Quezon City, Branch 100.*”

Briefly, Bauer was engaged by Semirara Mining and Power Corporation (SMPC) to perform drilling works in the last quarter of 2012 at its minesite covering 122 holes to be completed by January 30, 2013. Bauer in the performance of the works used only one rig when it supposed to provide two. Foreseeing that Bauer will not be able to complete the works, SMPC mobilized its own rig without prejudice to Bauer’s continued work. On January 18, 2014 Bauer’s lone rig broke down. On January 20, 2014, Bauer pulled out its equipment and discontinued operations. Bauer completed 87 out of 122 holes.

On May 23, 2014 Bauer filed a complaint claiming that it was prevented by SMPC from completing the remaining 35 holes (at Php200,000 per hole or Php7 million) when the latter mobilized its own rigs and prevented Bauer’s personnel from continuing with its own drillings. Bauer also claims for Php500,000.00 exemplary damages and PhP100,000.00 litigation cost.

On February 27, 2017, the RTC rendered its Decision dismissing the complaint, as Bauer was not able to prove its case by preponderance of evidence. Its motion for reconsideration was likewise denied per Order dated July 10, 2017. Bauer’s appealed the case before the Court of Appeals [CA-G.R. CV No. 109769] on November 9, 2017.

Today, we received a copy of the Court of Appeals' Decision dated June 26, 2020, which denied the appeal. The Decision dated February 27, 2017 and Order dated July 10, 2017 rendered by the Regional Trial Court, National Capital Judicial Region, Branch 100, Quezon City, in Civil Case No. R-QZN-14-04802-CV are affirmed.

Pursuant to the requirements of the Securities Regulation Code, the issuer has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
